

# Number Sequence

Write the missing number.

A circular sequence of ten white pentagons arranged in a ring. The numbers 1, 4, 7, and 10 are placed in the pentagons at the 12, 3, 6, and 9 o'clock positions respectively. The remaining pentagons at the 1, 2, 5, 8, and 10 o'clock positions are blank. To the left of the circle is a yellow star on a pink wand. To the right is a yellow heart with wings and a smiling face.
