

# We're going on a bear hunt

## Home learning challenge

Draw a picture of your favourite teddy bear

Find out 3 facts about real life teddy bears that your can share with your class. You could get an adult to write them down for you to help you remember

If you could search an animal with your family, which animal would it be? where would you go? what would you do when you found it?

Can you think of some different sounds of the bear hunt? What sounds would the family make if they went through a thunderstorm, along the beach or tunnel?

Bear have 4 paws. can you draw a picture of 3 bears? How many paws do bears have altogether?

Teach someone in your family 'round and round the garden' rhyme that we have been learning in the class. Are they ticklish?
