

# TREASURE MAP GAME!

Solve maths problems and get to the treasure!

The game board is a stylized map with a path of math problems. The path starts at a yellow flag labeled "Start!" near a lighthouse. The path proceeds through the following math problems in rounded rectangular boxes, connected by arrows:

- $8+5=$
- $10+5=$
- $4+13=$
- $8+7=$
- $10+7=$
- $6+11=$
- $9+14=$
- $11+14=$
- $15+12=$
- $7+12=$

The path ends at a red flag labeled "Finish!" near a treasure chest. The map includes various illustrations: a lighthouse, a ship, a tree stump, a shark, and a compass rose in the bottom left corner.
