

Lights shine bright,
In the dark night.
Popcorn is yummy
In your tummy.

Big screen in sight,
It's all you see at night.
Heroes and tales,
Make our hearts sail.

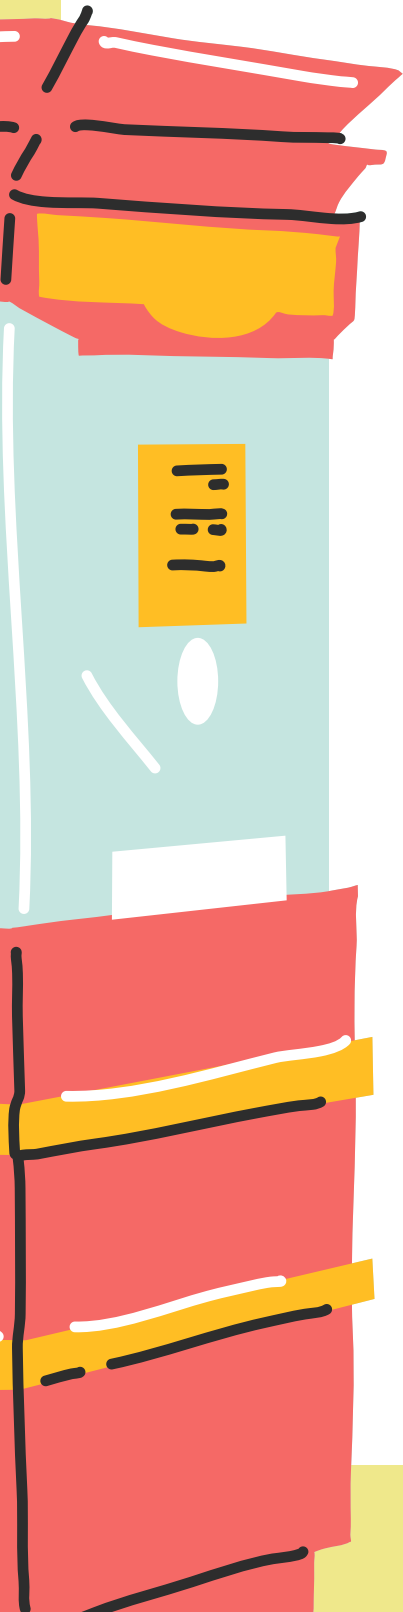

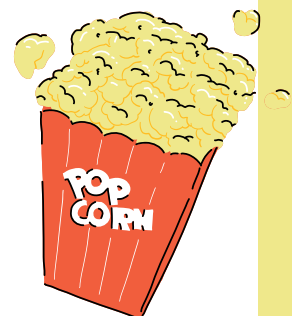

Laughs and tears,
Thrills and cheers.
Movies come alive,
Stories that jive.

Magic in the air,
Giggles everywhere.
With friends, we go,
It's fun, you know!

So take a seat,
Enjoy the treat.
Movies bring joy and delight,
Morning, noon, and night!
