Little Hands, Big Skills

16 Printable Fine Motor Activities for EYFS

Straight Line Tracing

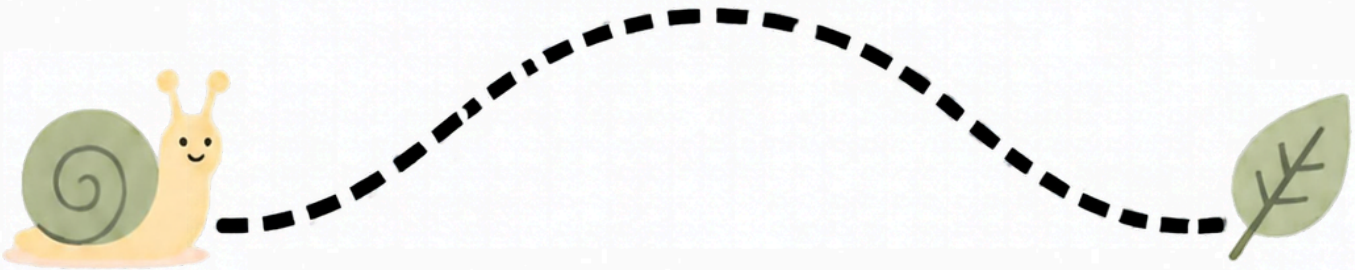

Trace the straight paths from each object to its friend.

Adult guidance: Supports pencil control and hand-eye coordination. Use with a chunky crayon or dry-wipe marker under supervision.

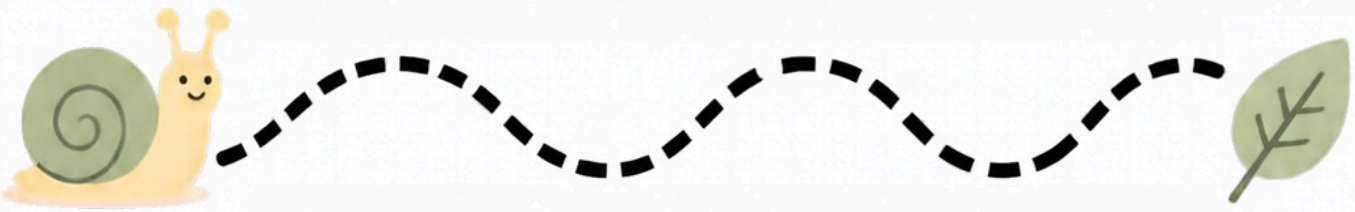

Curves and Waves

Trace the curvy, wavy and looping paths.

Adult guidance: Supports smooth pencil movements and control. Use a chunky crayon or dry-wipe marker under supervision.

Help the Bee Find the Flower

Trace the path to help the bee reach the flower.

Adult guidance: Supports pencil control, visual tracking and direction following. Use with a chunky crayon or dry-wipe marker under supervision.

Drive to the Garage

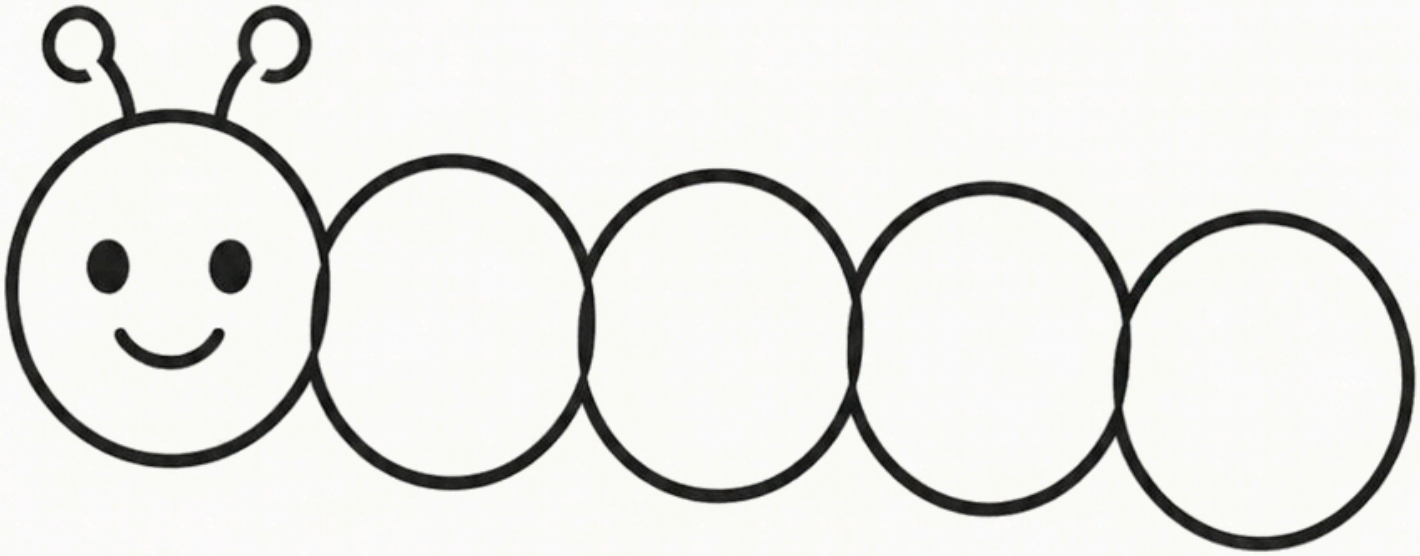

Trace the road from the car to the garage.

Adult guidance: Supports controlled mark-making and visual-motor planning. Use with a chunky crayon or dry-wipe marker under supervision.

Build a Caterpillar

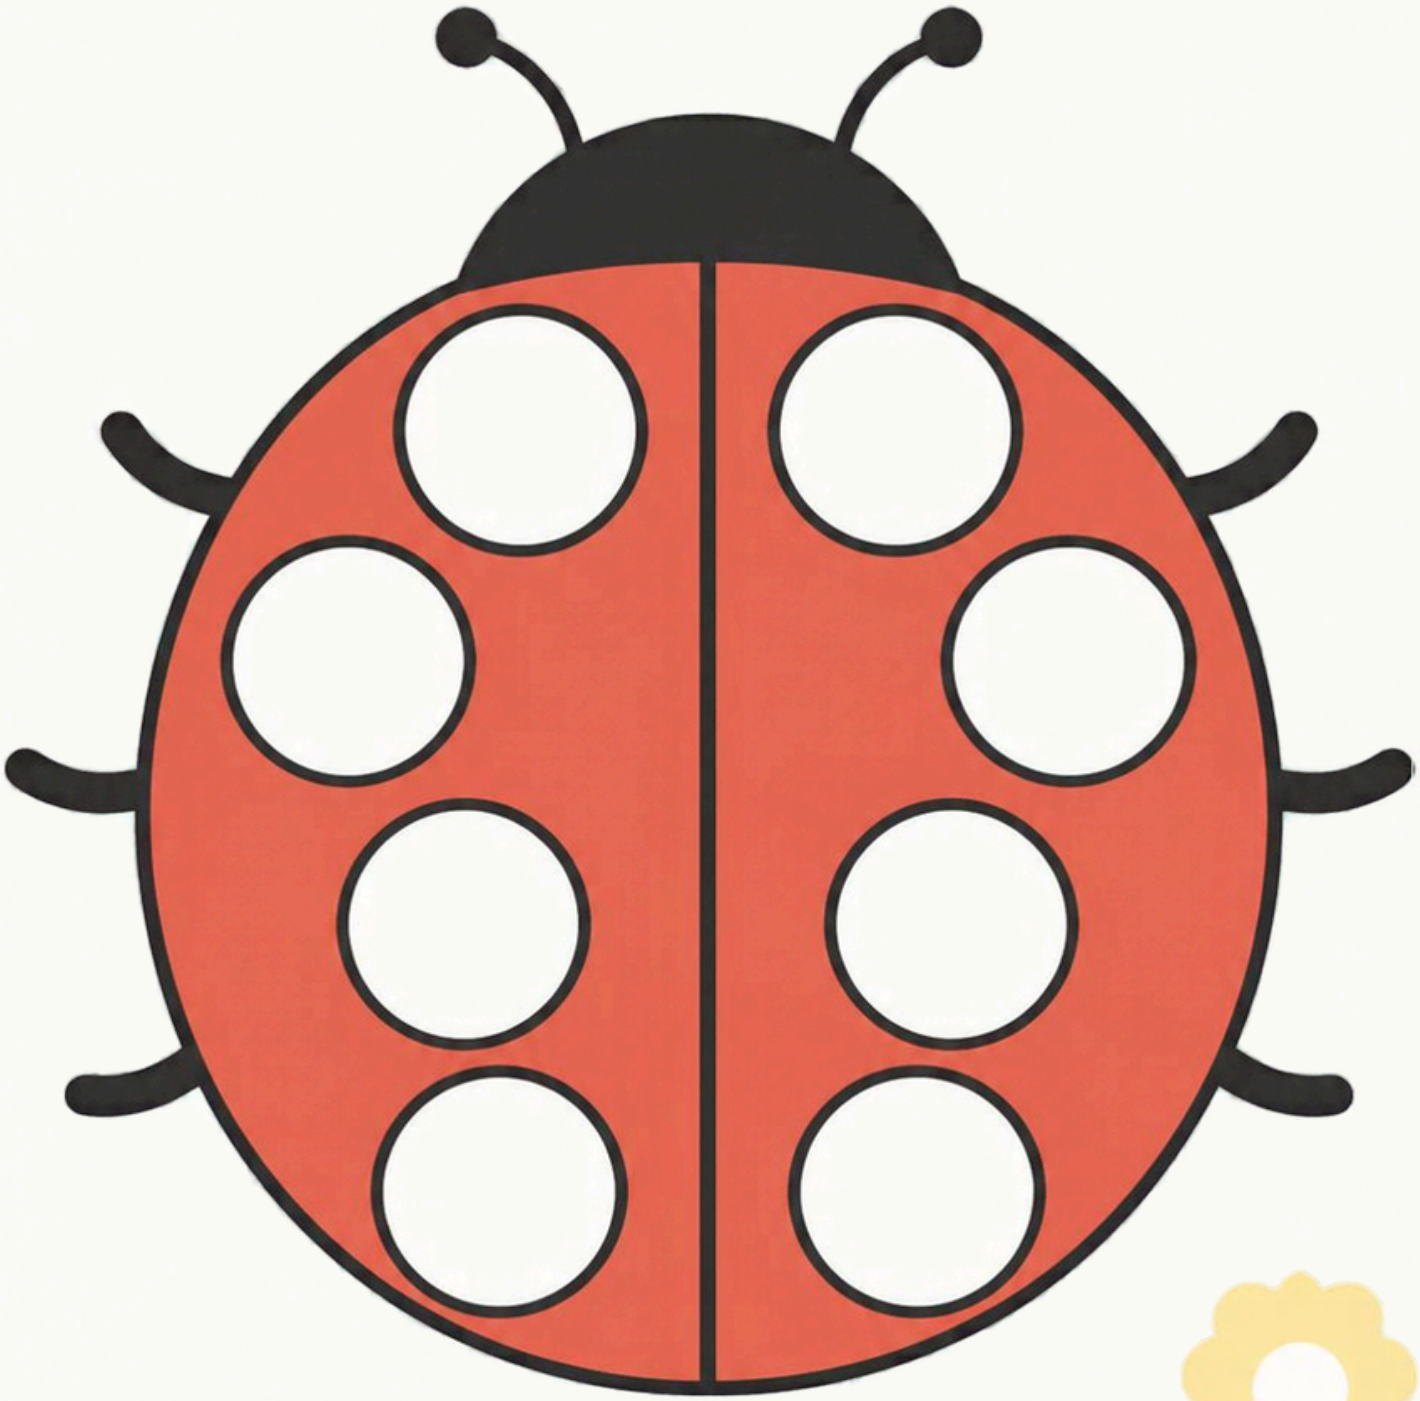

Add big playdough circles to the caterpillar.

Adult guidance: Supports finger strength, bilateral coordination and shape formation. Use soft, non-toxic playdough with supervision.

Spot the Ladybird

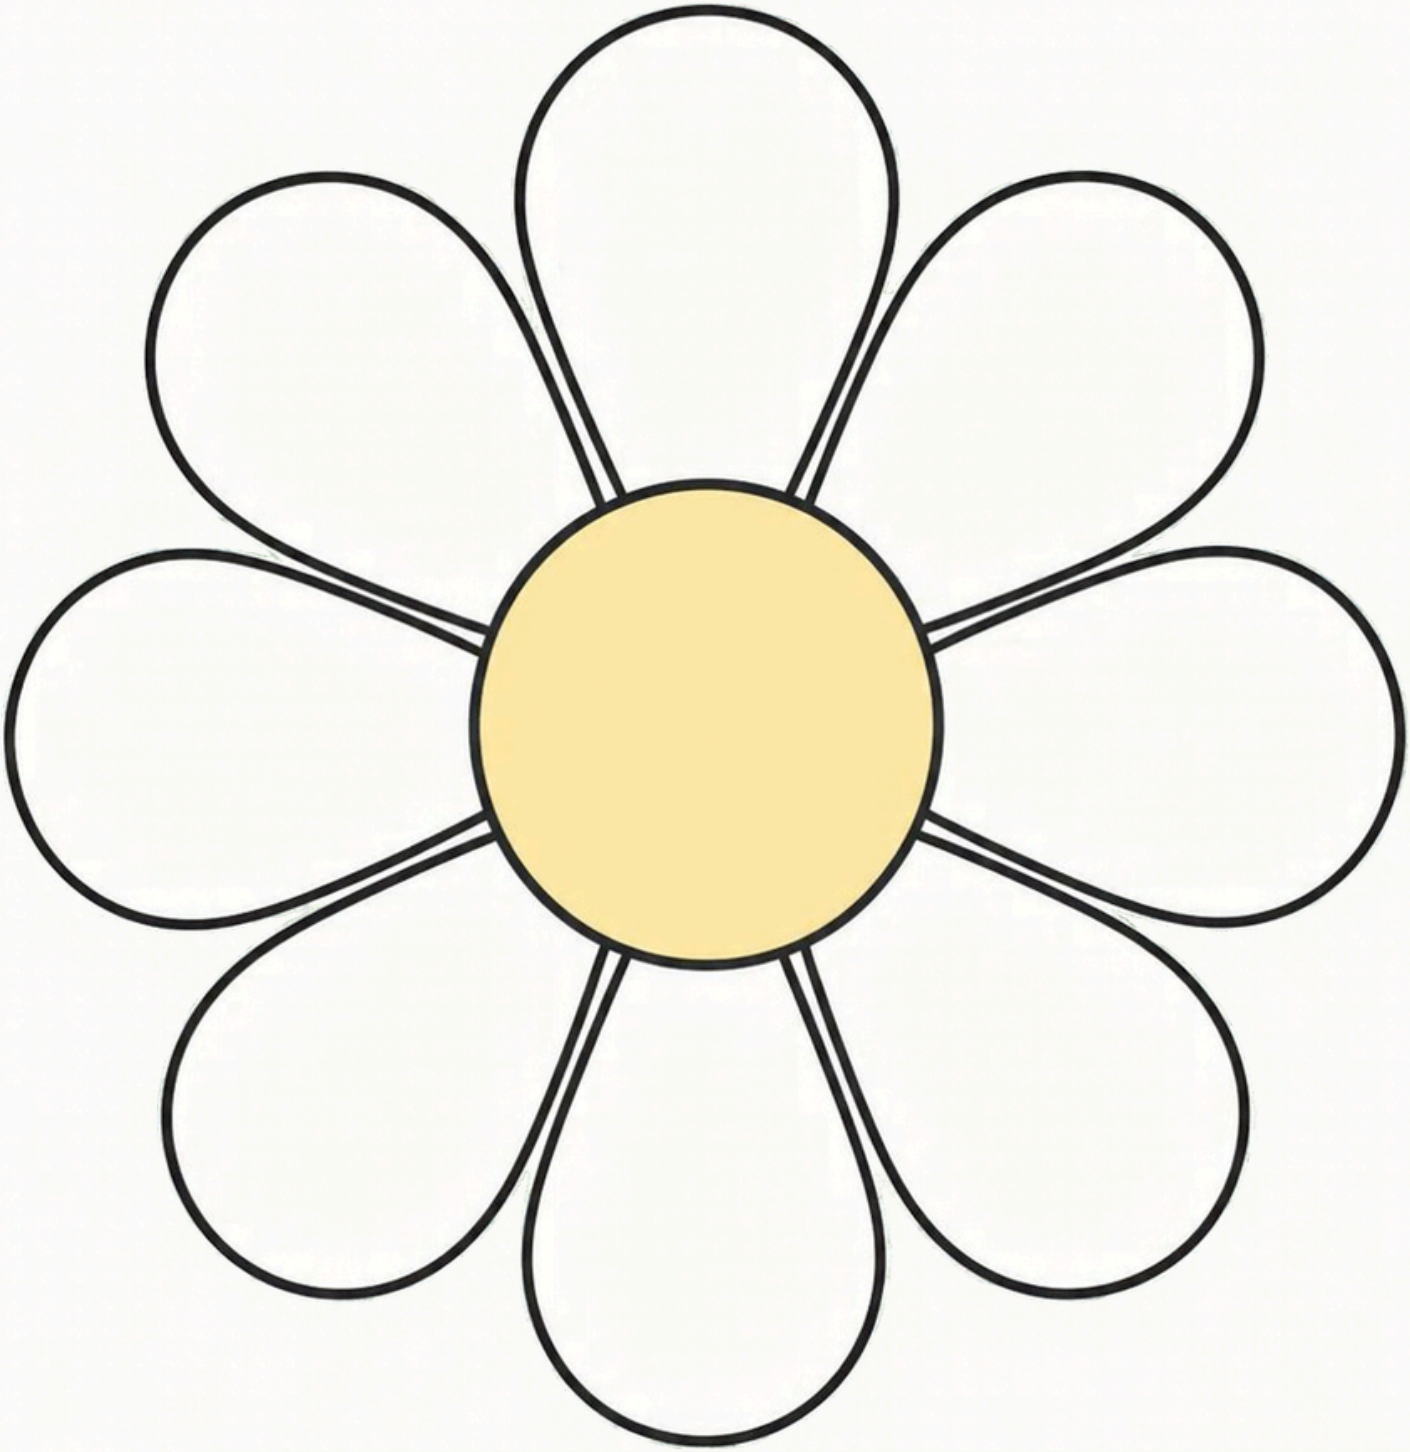

Add playdough spots to the ladybird.

Adult guidance: Supports finger isolation, pinching and hand strength. Use soft, non-toxic playdough with supervision.

Make a Flower

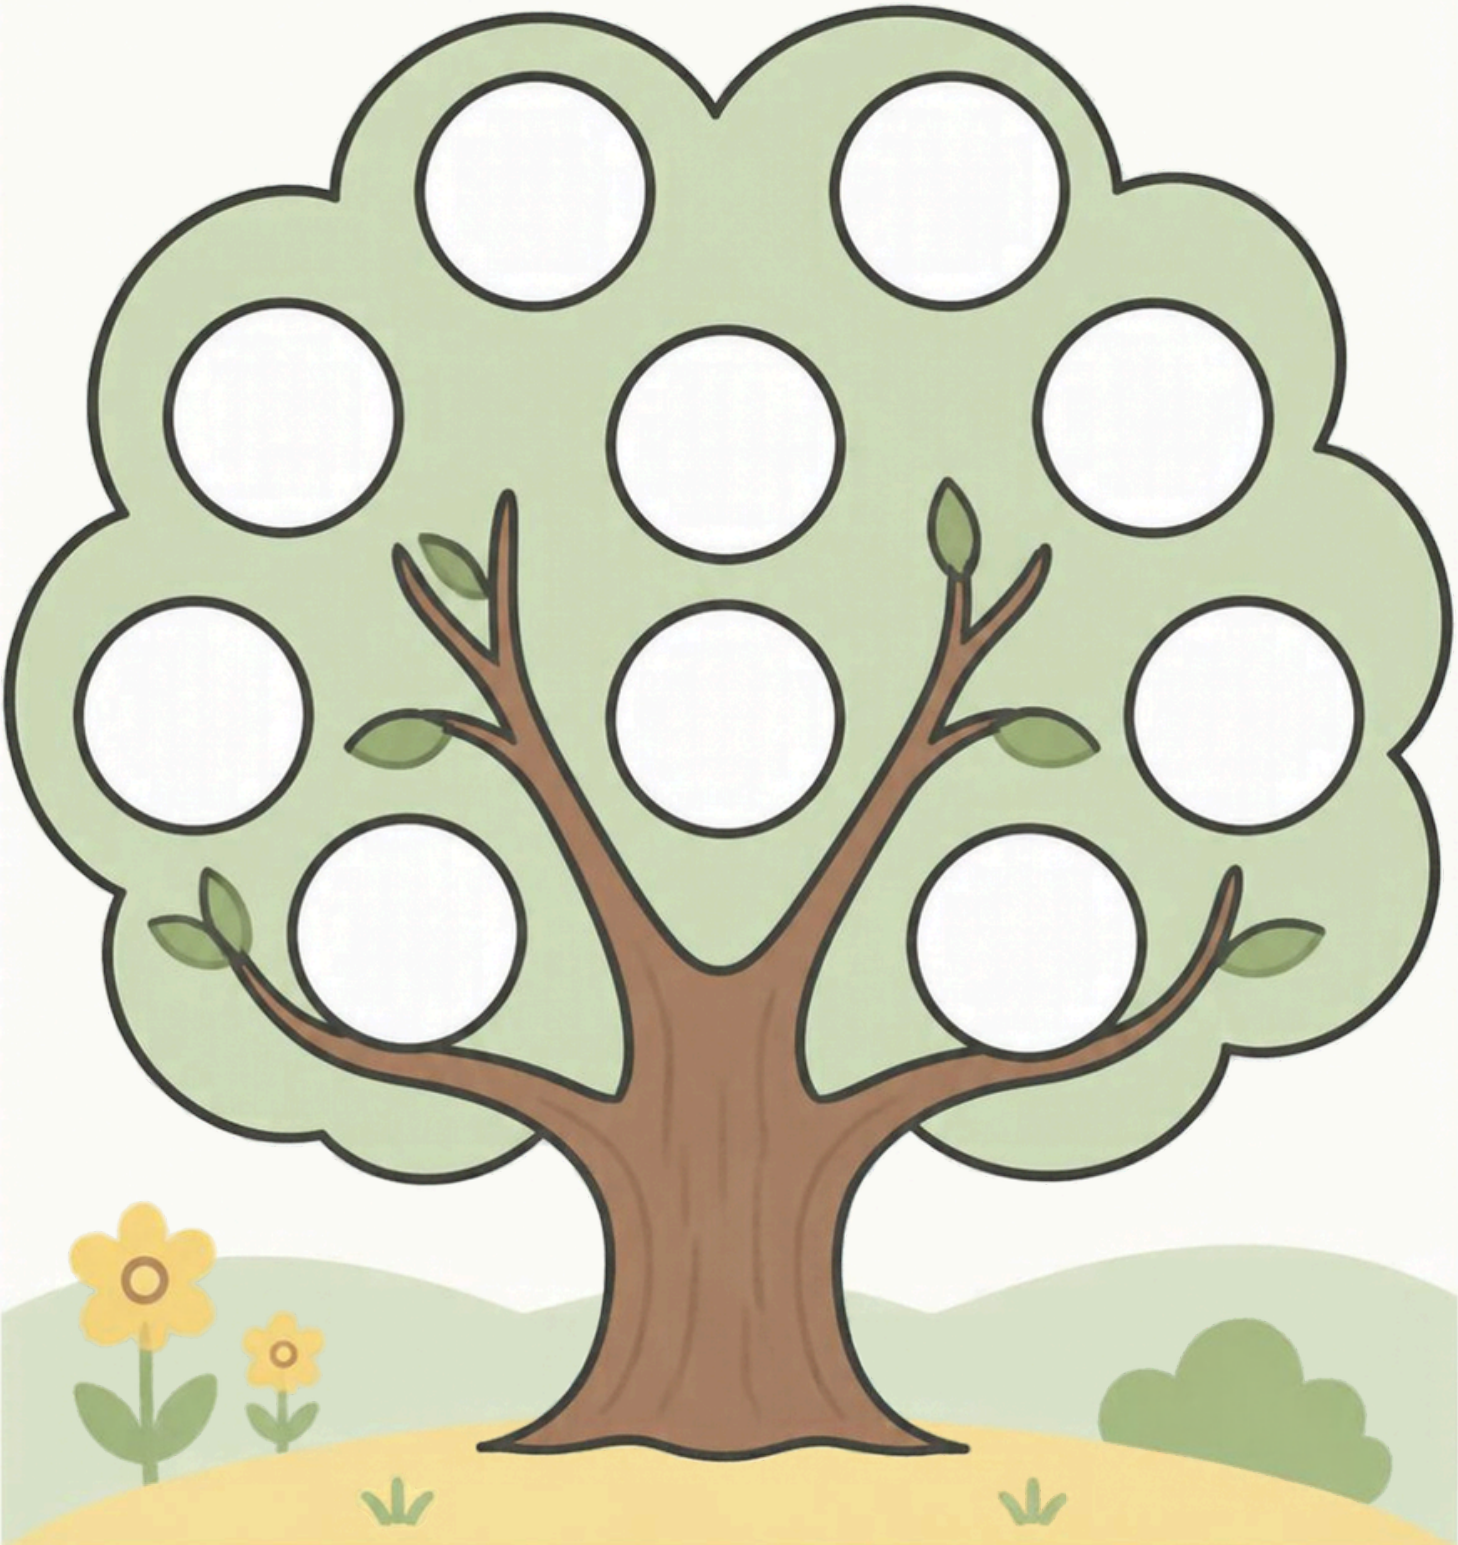

Add playdough petals around the flower centre.

Adult guidance: Supports finger strength, hand-eye coordination and circular placement. Use soft, non-toxic playdough with supervision.

Fill the Apple Tree

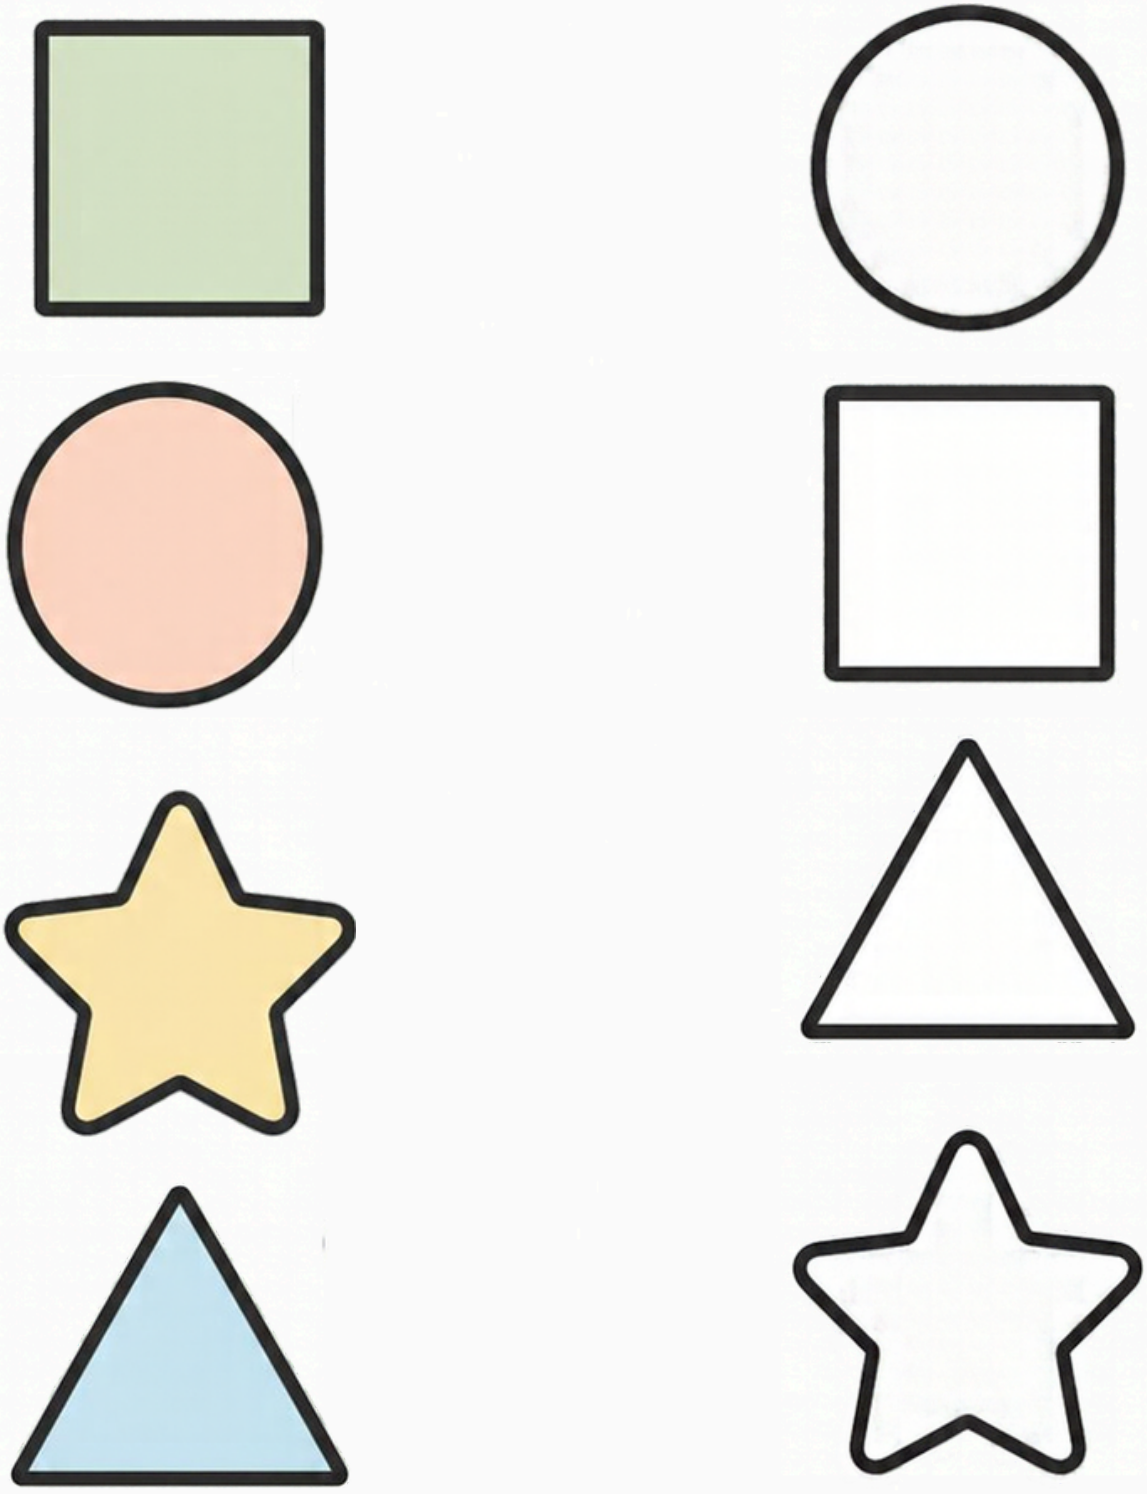

Add playdough apples to the tree.

Adult guidance: Supports finger strength, grasp development and hand-eye coordination.
Use soft, non-toxic playdough with supervision.

Shape Matching

Draw a line from each shape to its matching outline.

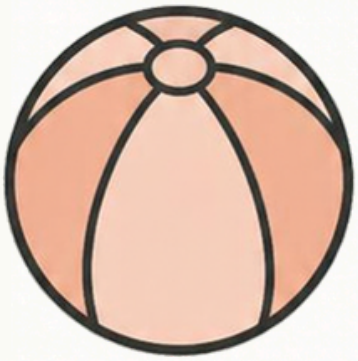

Adult guidance: Supports visual discrimination, pencil control and early shape recognition. Use with a chunky crayon or dry-wipe marker under supervision.

Colour Matching

Match each object to the space with the same colour.

Adult guidance: Supports colour recognition, visual matching and controlled mark-making. Use with a chunky crayon or dry-wipe marker under supervision.

Find the Matching Objects

Draw a line to join each pair of matching objects.

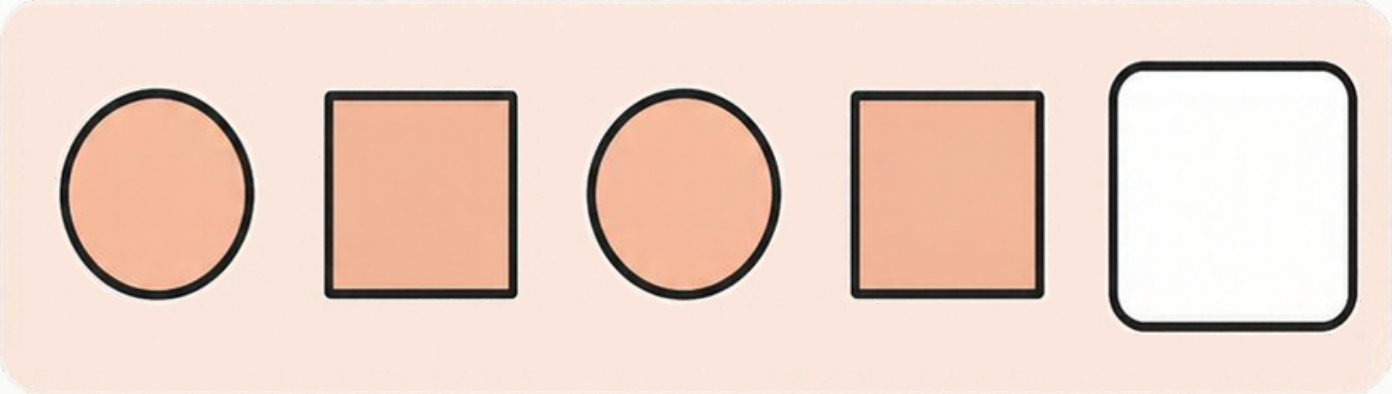

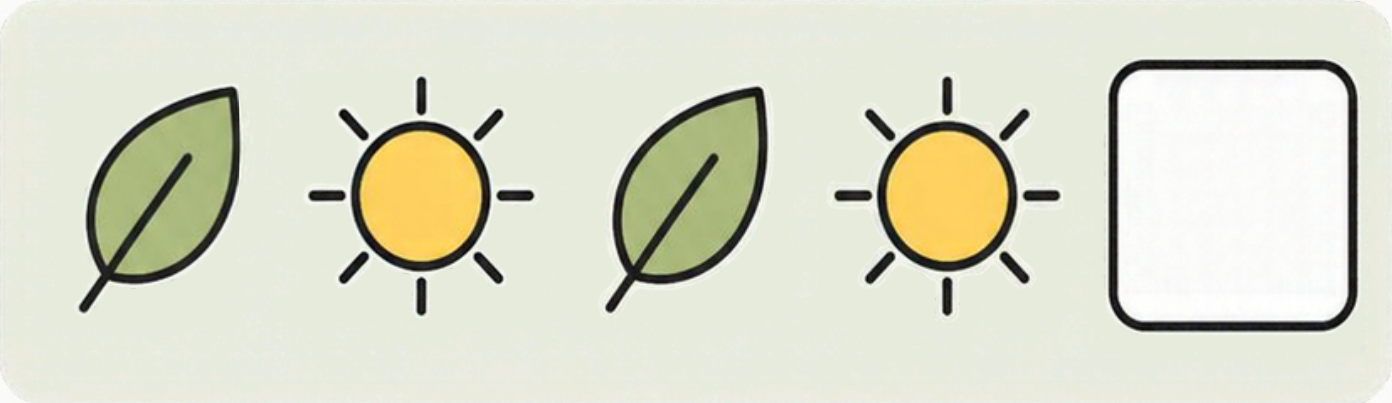

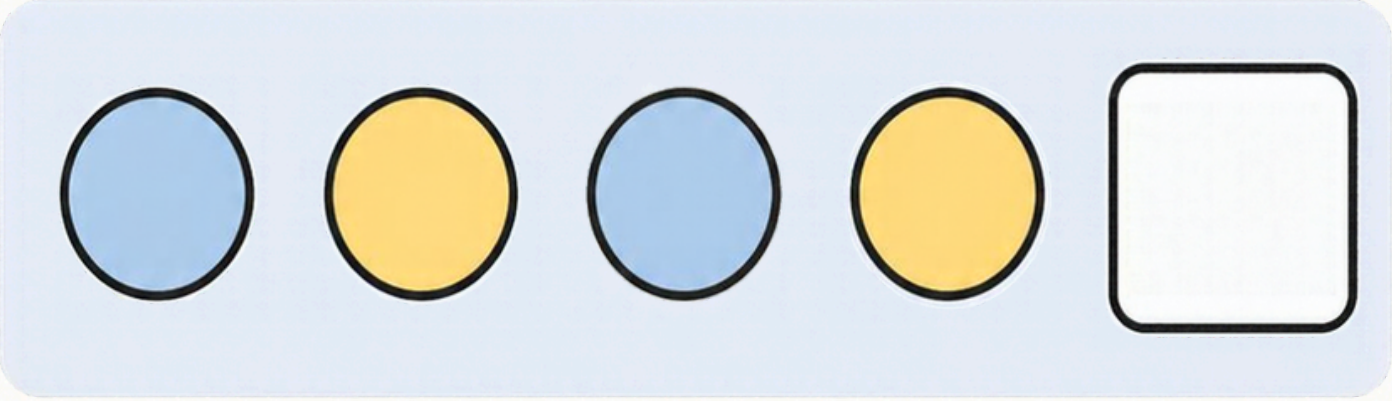

Adult guidance: Supports visual discrimination, memory and pencil control. Use with a chunky crayon or dry-wipe marker under supervision.

Complete the Pattern

Look carefully and finish each repeating pattern.

Adult guidance: Supports visual attention, early sequencing and reasoning. Use with chunky crayons, dry-wipe markers or large loose parts under supervision.
