# Social Stories - Personal space

When I talk to other people, sometimes I stand too close.

I need to remember to step back and leave some space.

People don't like it when I stand too close.

It's not polite to stand too close. It's polite to respect other's personal space. I leave an arm's length between people when we talk.

I like being respectful. People like talking to me when I respect their personal space.
