

British Values

We follow the law of our country.

**British Values** 

We all have the right to learn and to grow in confidence.

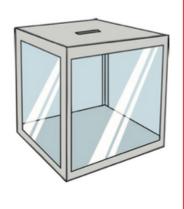

British Values

We try to help those living in our community.

British Values

We support democratic processes used to make important decisions.

British Values

We understand
that our
positive actions
can influence
decision-making.

**British Values** 

We understand that everyone is free to believe what they choose.

British Values

We all work towards stopping discrimination.
