

## **Instructions:**

- Print your fingers inside the star with different paint colours
- Trace the words and make the writing darker

I've left some little fingerprints  
On just about every wall.  
On furniture, doors and windows,  
I've really marked them all.  
Here are some that won't rub off  
To remember when I was small  
Because I'll love you forever  
Even when I'll be big and tall.
