

# Colour and painting

NurseriesAndSchools.org  
Explore ★ Empower ★ Decide

## Instruction:

- Get a piece of card and place it in front of you in portrait or landscape.
- Using a white crayon draw anything you want
- Choose the water colours that you would like to be painted on top
- Dip your paint brush into the water and colour and then brush over the card. Continue to do this until all the page has been painted.
- **Your crayon picture should now be revealed**

## You will need:

- a piece of white card/paper (A4 or A3)
- a white crayon
- water colour paints
- a paint brush
- water pot
